FRANK POWERS,

Member of Board of Equalization,
J. H. NORTHUP,
OF LAWRENCE COUNTY.

Mr. Powers and the Tariff.

"They are charging me with being a 'free trader.' That is false and Mr. Wadsworth and his friends know it. I stand by the Democratic platform which gives no uncertain sound as to 'tariff.'

FRANK POWERS."

That is what Mr. Powers writes with his own hand, and that where the BULLETIN placed him, and by his authority. He does not mean that he shall be misunderstood, and to that end has made his meaning so plain that anybody can comprehend it. Any man who puts him in a position respecting the tariff not in accord with the National Democratic platform misrepresents him.

From Mr. Wadsworth's, Oregon. — THRU—these three letters have been handed with a short history by the vigilante of Nebraska.—[Exchange.]

If Horace Greeley were alive he'd say, "thirty-three Demo rats gone to their fluid account!" [New Republican.]

Cannet Support Him.

The following letter has been addressed to Mr. Wadsworth by Mr. Coates F. Taylor, one of the leading citizens of this county:

"MAYSVILLE, KY., Oct. 29, 1884.

To Hon. W. H. Wadsworth: Having only you & myself to depend on for our defense in that promise, as cannot support a man who is affiliated with the party that appears to point negro United States Deputy Marshals to show down peaceful citizens in the exercise of their legal rights, as in Ohio on Tuesday last."

C. F. TAYLOR.

THE PROOF

That W. H. Wadsworth, Republican Candidate for Congress, did Not Vote For Asbury.

STATE OF KENTUCKY, NOV. 1, 1884.

L. W. BAIL, Clerk of the County Court,

for this county as aforesaid, do certify that an election was held on August 6, 1884, in Mason County, Ky., W. H. Wadsworth, Sr., voted for Thomas Z. Morton, for Governor; for Speed S. Fry, for Lieutenant Governor; for Dr. G. W. Gandy, for General Assembly; for B. H. Hinchliffe, for Auditor; for Edward P. Foley, for Treasurer; for J. P. Pinkerton, for Superintendent of Public Instruction; for Register of the Land Office, he did not vote, and for Representative he voted for A. A. Walker, of Cincinnati, which is shown by the poll books of said election, for said county, on file in my office.

Given under my hand this 27th day of September, 1884.

W. W. BAIL,

Clerk Mason County County.

MAYSVILLE, KY., October 28, 1884.

I was one of the judges of the election in August, 1883, and to the best of my recollection am able to say that when Mr. W. H. Wadsworth, Sr., handed me his ticket it had the name of Asbury instead of Wadsworth. He said he would vote that ticket, so I wrote up the name of Asbury.

JAMES CHAMBERLAIN.

MAYSVILLE, KY., Oct. 29, 1884.

I Thomas M. Wood, do hereby certify that I was present at the polls in precinct No. 2, Mason County, Ky., stood without door of W. H. Wadsworth's house, when he handed me his ticket. I was the judge of election.

Mr. Wadsworth will you allow a colored Republi-

can to trouble you for a little space in your paper, I make this request to you because you have known me for many years, and I know that you always treat the colored people fair, although you are opposed to them in politics. We black men are asked to vote for W. H. Wadsworth for Congress. We

want to know what Mr. Wadsworth has done to earn always oppose the colored men. He voted against allowing him to carry the mail. He voted against the Thirteenth Amendment that abolished slavery. He voted against paying any money to the colored men.

I can read the doings in Congress as well as any man, and if all the colored men would read more they would be able to tell better how they should vote. When Mr. Asbury, a colored man, was to be nominated for ticket last year, Mr. Wadsworth had a chance to show that he was the friend of a colored man. Did he do as he would have as colored men do to him? He scolded Mr. Asbury from the ticket and didn't vote him. I think that the colored men are not as bad as a white man will say we are. We all know that Captain Calhoun is our friend, and that he voiced for Asbury. They cheated Captain Calhoun out of the nomination, and carried up Mr. Asbury. Our colored always showed their opposition to our race. The colored Republicans, who calls himself a man, ought to vote for Blaine and Logan but no colored Republicans, who calls himself a man, ought to vote for Wadsworth.

A COLORFUL REPARATION.

That "Conversation."

"MAYSVILLE, KY., October 11, 1884.

"In our conversation when we met with Mr. Frank Powers he did not say that he would not vote for the colored men, and did not mention in the course of the conversation which, our judgment, he was constrained into any other than a strict accordance with the Democratic platform of 1876. We agreed with Mr. Powers perfectly regarding the favoring of a large reduction of the tariff, which neither of us favored. Our judgment of his favoring a large reduction of the tariff was to be reduced, at the same time equalizing the inequalities of the existing tariff."

Cure for Ritis.

Piles are frequently preceded by a sense of weight in the rectal Johns and lower part of the abdomen, causing the patient to stoop or strain in order to move the bowels or the neighboring organs. At times, symptoms of indigestion are present, as flatulence, uneasiness, etc. The rectal pain is often very severe, producing a very disagreeable feeling, after going to stool, in a common stool, and the patient is apt to feel as though he had been stricken with a violent attack of colic. The rectal pain is intense, absorbing the thoughts, delaying the entire action, and defeating a permanent cure. The following simple remedy will remove the disease:

Take of Dr. Bosman's Pile Remedy, one drachm, and add to it a few drops of oil of lavender. Mix well and apply to the application of the disease, covering the rectum, absorbing the tumors, slaying the intense itching, and effecting a permanent cure.

Dr. Bosman's Pile Remedy is a safe, efficacious, and safe remedy.

Democratic Speaking.

Hon. Ben. S. Robbins, Democratic State elector at large, and one of the best speakers in Kentucky, will address the Democracy of Maysville and neighborhood in the Market place, on Monday evening. Everybody is invited.

The river is swelling a little to-day.

The hickory nut crop is reported to be very large one this season.

EVERY Democrat should take a special interest in getting out the full vote on Tuesday.

REV. JOHN N. ERVIN will preach at the Presbyterian Church, Sunday morning and evening, at the usual hours.

THE Hitchcock Lamp, which is advertised in this issue of our paper, is said to give the best kerosene light in the world.

THE Wild West troupe, which exhibits here next Monday afternoon, has been drawing immense crowds at Cincinnati for the past two weeks.

The protracted meeting at the Southern Methodist Church has been postponed until the first Sunday December. Rev. J. H. Young will then aid the pastor.

POLICEMAN CHERLON, another victim of Lot Wright's United States Marshals, is dead at Cincinnati, from wounds received while going to the assistance of Martin Gorman.

A MAN named Rollins, who is charged with the murder of Peter Smith, in this county, about a year ago, has been arrested at Hazel Green, Ky. He will be tried for trial.

DEMOCRATS watch your tickets next Tuesday. Let the name of Frank Powers be written or printed on a plain piece of white paper with no other distinguishing mark upon it.

The Ministers' Association.

The ministers of our city will meet at the office of the Southern Methodist Church next Monday, at 9:30 o'clock to re-organize their association. Let all be present.

MR. TIMOTHY SPENCER died on the 28th ult., at the residence of his sister, Mrs. Margaret Duke, in East Maysville. He was born at Steubenville, Ohio, on the 20th of August, 1815, and consequently was in his 70th year. He was buried at Ripley, on the 30th ult.

PLEASE bear in mind that the Wild West Combination will arrive without fail and exhibit at the fair grounds next Monday afternoon at half-past two o'clock. The same exhibition will be given here that has been given at Cincinnati for the past two weeks.

THE BULLETIN has opposed Mr. Wadsworth for the simple reason that he is the Republican candidate, just as it has fought every candidate of that party at every election. If we have fought him with more vigor than usual it was because he was better game than common.

It is not a question whether you have a friendly feeling for Mr. Wadsworth or not. The real issue in the Congressional canvass is will you have a Democratic or a Republican House of Representatives. If you are in favor of the former vote for Mr. Powers, if not, vote for Mr. Wadsworth.

HON. PAR. McGROARTY, of Georgetown, O., and Hon. J. D. Kehoe will speak at the court house this evening. Every Democrat in the city and neighborhood should be present and hear what is said. Mr. McGroarty is a fine speaker and will be instructive and entertaining. The speaking begins promptly at 7 o'clock.

THE Thespian entertainment, for the benefit of the Southern Presbyterian Church, in the parlor of the Riverside Hotel, last night, was well attended, and was a gratifying success. It was under the management of Mrs. G. W. Sulser, who is entitled to the highest credit for the smooth and satisfactory manner in which the entertainment passed off.

THE two branches of the Presbyterian Church of this city have at last arrived at an amicable agreement about the church property. The Southern congregation have relinquished all their claim to the church on Third street, in consideration of receiving the title to the Chapel property in East Maysville. The transfer we are informed has been formally made.

The Wild West.

It is a fixed fact that the Buffalo Bill Wild West Combination will arrive in this city by the steamer W. P. Thompson on Saturday evening to give an exhibition at the fair grounds on Monday afternoon at half-past two o'clock. It is an opportunity to witness many features of the Wild West that you may not again have the opportunity to see. It is one of the most entertaining combinations that has ever visited Maysville.

THE larger number of volunteer workers at the polls next Tuesday, the better and more effective will be the work. The Cleveland, Hendricks and Powers clubs were organized to elect the Democratic candidates; that work must be done next Tuesday. Fifty men will stand at the polls to be better than half a dozen. Every true Democrat can afford to devote one day out of four years to the good of his country. Your country needs your services next Tuesday. Make no mistake in this.

THE new business directory lately furnished to this city by Mr. Charles Emerson, is the best and most complete we have ever had. It contains a number of new features that make the book exceedingly valuable for public use. It contains, beside a carefully compiled list of the citizens, a classified business directory, to which is added an appendix of useful information as to the city, county and State matters, including a list of churches, schools, etc., in the city. Mr. Emerson has more than complied with his contract and we, therefore, take pleasure in recommending him as an honorable gentleman.

Some Facts About the Knabe Pianos.

These pianos have established their excellence in every community where they have been introduced, and the most eminent performers have given them the most unqualified approval. Their appreciation, however, is not confined to the class known as the professional artists, but they are as highly prized in the parlor as in the school-room or upon the stage. The fact is, they are as perfect as any instruments of the kind that have yet been made, and possess many qualities which strike the critical and superior to all other pianos. This is the whole secret of their great popularity and the high appreciation in which they are held by both amateurs and professionals.

MR. GEORGE SCHWARTZ has received the following letter from the President of the Swiss Benevolent Association at Cincinnati, concerning John J. Stigl, who died suddenly at the European Hotel recently.

He writes as follows: "I am sorry to inform you that John J. Stigl, of Cincinnati, has, in due recognition of his eminent zeal, refined taste, and spendthrift and dissolute habits of the German-Americans supported him liberally. He has a family in Switzerland—a wife and several children. His intention was to rent a farm, his family come over, and in the meantime complete his work."

THE EVILS OF HUMANITY

Ruffians Still in Possession of Michigan.

Thief's Terrible Fate—Fieeing Prisoner Killed—Ravished and Murdered—Daring Thief Captured—Record of Other Crimes.

TOMORROW, Oct. 31.—Great anxiety for the safety of the force of the Toronto police who were sent out to Michiganceton on the north shore of Lake Superior to deliver that town from the possession of a desperate mob of whisky peddlers and mavies, was created by the intelligence that when the militia landed from the steamer a conflict took place with the rioters, resulting in the fatal shooting of Constable Dadds and Mills, and the wounding of Inspector Ward, who is in charge of the force. The mob, numbering 400, made their escape, while themselves armed with Winchester repeating rifles, at Michiganceton, who have the town in their possession. As the police are only armed with revolvers, it is feared that the militia must be sent to relieve them. No further report will be received until the boat arrives to-morrow.

A Thief's Terrible Fate.

EDGERTON, Wis., Oct. 31.—The lock-up here was discovered to be open this morning with the keys, the guard attempted to break the lock with a sledge hammer. The bars were finally removed and the fire gotten under control, when the half conscious body of a prisoner was found. It proved to be that of a young man named Gurney, who had been paroled near Stoughton. He was arrested for petty larceny. He was generally considered insane and it is believed that he will be tried to the jail.

They resisted, and the officer called on citizens to assist him. Clark broke away and ran. One of the citizens fired and brought him to the ground. He died in the hospital.

POLITICAL NOTES.

GOVERNOR CLEVELAND addressed a body of 300 people in Recreation Hall, Bridgeport, Connecticut.

It is estimated that Governor Cleveland shucks hands with 3,200 people in his reception at New Haven.

The ladies of the M. E. Church, at Lincoln, Illinois, are very indignant at the refusal of the church trustees to let them have the church to pray for the success of St. John, the Prohibition candidate.

After his reception extended by the ladies of Brooklyn, Mr. Blaine, in the evening, addressed audiences at the Academy of Music, at the Brooklyn Grand Opera House, and in Fountain Square, Williamsburg, and in Fountain Square, Williamsburg.

The Democratic Campaign Committee at Norfolk, Virginia, refused Governor Cameron permission to address a meeting at Market Square. Friends and members of the Democratic party of the city apologized to the Governor.

UNITED STATES MARSHAL HUGHES, at Richmond, Virginia, has agreed to appear before the United States Army for inspection at Norfolk, Richmond and Petersburg on election day from the Democratic party, or to give the Democrats the names of those persons he has appraised.

ST. JOHN, the Prohibition candidate for Congress, says every day that he deserves his wife but said he foolishly married her when he was nineteen years old, was deceived in her, and deserted her so that she would get a divorce. He also claims that a boy born to them was given an education by him.

Killed by Accident.

Kosciusko, Ind., Oct. 31.—The master of the house, Mr. Edson Lardion, whose body was found in the upstairs with a bullet hole in the neck, was yesterday cleared up by the confession of Emil Lindstrom, who told the officers that he accidentally inflicted the wound while hunting with his gun at a neighbor's chicken coop.
